If a student is enrolled after August 1, monthly payments will be based on the number of months remaining between the date of enrollment and May 1.

\*The tuition payment program is administered through FACTS a company that processes the automatic withdrawals to a checking or savings account or on a credit card. If the account does not have sufficient funds for the withdrawal, FACTS will charge a \$30.00 fee and attempt to withdrawal again within a two-week period. Please note the bank will also charge an insufficient funds fee for the transaction.
